# Ordering Considerations

---

Here are a few guidelines to consider as you get ready for the fall school year startup.

- 1) The items of clothing options on the school online catalogue are what we have made available for you to choose from. You have the choice of the polo, sweatshirts, hoodies, shorts, and long pants. All students must wear DCHS branded tops and bottoms purchased from the DCHS school uniform website [www.dgn-kilters.com](http://www.dgn-kilters.com) Shirts under your DCHS hoodies must be DCHS polos.
- 2) All items on the DGN-Kilters uniform website will be automatically branded with the school logo/crest/D blast logo.
- 3) All uniform items should be labeled with your student's name. Because we are a uniformed school, all items look the same and can be easily mixed up with other uniforms.
- 4) There are sizing charts for uniform items online. Please use them before finalizing your orders.
- 5) If you find you have ordered the wrong size, or have returns or exchanges, they must be directed to DGN-Kilters Customer Service line at 1-800-437-5872.
- 6) If your child has grown out of an item in size, and it is still in good condition, the school office will buy them. Contact Tracy at [office@dchs.com](mailto:office@dchs.com).
- 7) If you would like to purchase good quality used uniform items, come to the school office, and look at our re-sale closet for some great deals.
