

### **Educational Assistant (EA) Position**

Durham Christian High School seeks to hire an Educational Assistant for the 2024-25 school year. The successful candidate will

- share a Christian faith that resonates with the Christian identity of the school and its staff.
- have a compassionate heart for the children with whom he/she engages. This includes sensitivity to every child's character and the manner of engagement in the social/learning setting.
- demonstrate general insight and understanding of the growth and learning of students especially students with developmental or learning challenges.
- be able to communicate effectively with his/her supervisors, school colleagues, parents and children under his/her care.
- Work one-on-one or in small groups with students
- be able to work collaboratively as a member of the instructional team at the school.
- be fully available for regular school hours

This is an hourly contract. Remuneration will be discussed with candidates chosen for an interview.

We will consider applicants with a variety of employment and education backgrounds for this position.

**In order to apply for this position please send a statement of faith and resume to Shannon Marcus ([principal@dchs.com](mailto:principal@dchs.com)). The position will remain open until a successful candidate is hired.**
